Congratulations JIM WHITE March 2007 Bulldog Salesperson of the Month

Flexon, Inc. is pleased to announce Jim White of REM Systems as the March 2007 Bulldog Salesperson of the Month!

Jim earned an order for five Speed-Master® 750's at a local pharmaceutical company after working his tail off to beat out the competition. The order resulted from a lead given to Jim from Flexon, which he contacted immediately. The competition was fierce, but Jim was able to effectively show the fantastic benefits of the Speed-Master's direct-drive motor/gearbox with 5-Year Unlimited Cycle Warranty....Jim asked the customer: " Who else provides that kind of confidence in their product?! " The customer agreed and gave Jim the order as a reward for his bulldog attitude!

Lesson Learned: *Follow-up leads promptly! Confidence in the product and it's benefits.*

As the March Bulldog Salesperson of the Month, Jim will receive a Flexon windbreaker and will qualify for our 2007 Bulldog Salesperson of the Year Award...A check for \$1,000! *Congratulations Jim!*

Speed-Master® 4500 Introduced for Extra Large Doorways

This is something to be thrilled about! Flexon is proud to introduce the Speed-Master® 4500, designed especially for use on extra large doorways up to 27' wide x 25' high! This super-duty workhorse has all of the same, dependable features as the other Speed-Master® models, such as direct-drive motor/gearbox with 5-Year Unlimited Cycle Warranty; super strong Bulldog XT panel material; and full-width vision areas. In addition, the Speed-Master® 4500 is equipped with our patented sectional panel design featuring integral "over-sized" anodized aluminum hinge profiles which act as built-in wind bars, as well as heavy-duty, impact-resistant, low-profile and hinged guide tracks. The hinge profiles and guide tracks are set-up at the factory to add wind-locks in the field if they are required. Contact our Inside Sales Department for more information.

IDA Expo 2007

Visit us at **Booth # 1601** at the upcoming International Garage Door Expo at the Orange County Convention Center, Orlando, Florida, April 12-13. We'll have our sleek Speed-Master® 750 Clean Room Door on display, our new style Flap-R Door, and more.

Receive a complimentary gift just for stopping by!

We're looking forward to seeing you there!

Interpex Show

Flexon Booth # 4508, will be first-time exhibitors at the upcoming Interpex pharmaceutical show at the Jacob K. Javits Convention Center, New York, New York, April 24-26.

We'll have our Speed-Master® 750 Clean Room Door on display, and all of the leads we receive will be given directly to our dealers.
