### Congratulations Gregg Goldenbagen May 2007 Bulldog Salesperson of the Month

*Flexon, Inc. is pleased to announce Gregg Goldenbagen with Kelly and Askew, Inc. as the May 2007 Bulldog Salesperson of the Month!*

The process Gregg went through to attain an order for seven Speed-Master® 1500's from a local children's hospital was perfection! The hospital had other Speed-Master® doors installed, and liked them so much that they specified Speed-Master's with the architectural / engineering firm that was designing their new project. Gregg worked closely with the hospital and architect during the specification phase, and then with the contractor during the construction and installation.

**Lesson Learned:** *Once a Speed-Master® is in place, chances are, future orders will follow.*

As the May Bulldog Salesperson of the Month, Gregg will receive a Flexon windbreaker and will qualify for our 2007 Bulldog Salesperson of the Year Award...A check for \$1,000! Congratulations Gregg!

### More \$\$\$ In Your Pocket—Flexon's BIG Doors

*Put more profit in your pocket* when you sell Flexon's BIG doors! Speed-Master® 4500 & 3500 models are consistently more competitively priced than other high speed roll-up doors!

So, when an opportunity arises at a parking garage, airport facility, warehouse or any really large doorway, think of Flexon FIRST!

### Lead Generation Mailing To New Car Dealerships

This month, a postcard mailing was sent to 8,500 new car dealerships. The mailer targets the Speed-Master® door, and is part of our on-going marketing plan to *create more leads for our dealers.*

Flexon's Speed-Master® high performance roll-up doors are ideal on car dealership service doorways and assist with improving environmental control & reducing energy costs. More new car dealerships are striving to reduce employee turnover in an attempt to enhance customer relations. Speed-Master® doors help to keep the service areas more comfortable for workers, resulting in a stable workforce & reduced employee turn-around.
