### **PETER BURNHAM PROMOTED TO VICE PRESIDENT OF SALES**

Leetsdale, PA, February 24, 2010. Hörmann Flexon recently announced the promotion of Peter Burnham from National Sales Manager to Vice President of Sales.

Since joining Hörmann Flexon in 2008, Peter reorganized the sales department to increase efficiency, which resulted in the successful development and expansion of the company's dealer network. He also implemented a program which authorized Hörmann Flexon as a course sponsor for high performance door education through the American Institute of Architects (AIA) continuing education program.

Larry Campbell, Senior Vice President of Sales & Marketing for Hörmann comments: "Peter is exemplifying his firm understanding of both dealer needs and end-user expectations, both of which have been instrumental in driving significant sales and performance growth for Hörmann Flexon over the past two years."
